

ONLY 7 DAYS LEFT UNTIL SE LOCAL ELECTIONS

On the 4th of May, millions of people across the South East will head to polling stations to vote. Record-breaking numbers of voters will be going out to vote Green this year, but many floating voters are still unsure how they will be voting.

Want to help persuade voters to vote Green? Want more Greens elected to tackle the climate crisis and the ecological emergency? Then why not contact [your local party](#) and get involved in the run-up to polling day. These last few days of the campaign are a lot of hard work, and regular volunteers are exhausted, so your local party will likely be able to use every last bit of help!

SOUTH EAST GREENS STANDING RECORD NUMBERS OF CANDIDATES

Huge successes across the South East! We are standing a record number of candidates this year, covering 43% of seats and 58% of wards.

Special congratulations go to **Reading, Brighton & Hove, Lewes, Winchester, Tunbridge Wells, Woking, West Sussex, and Worthing Green Parties**, all of whom were able to stand a full slate of candidates, as well as **Horsham**, who were able to stand 47 out of 48 candidates - up from 4 in the 2019 elections. Fantastic work!

WATCH OUT FOR THESE UPCOMING ACTION DAYS

With the elections coming closer by the day, here are some of the big events to watch out for - look on the right for events that will be taking place in every local party, and on the bottom for larger Action Days!

Get in touch with your local party to help out on the Days on the right via [this link](#), or click on each of the Labels below to be redirected to a signup link for all of those events!

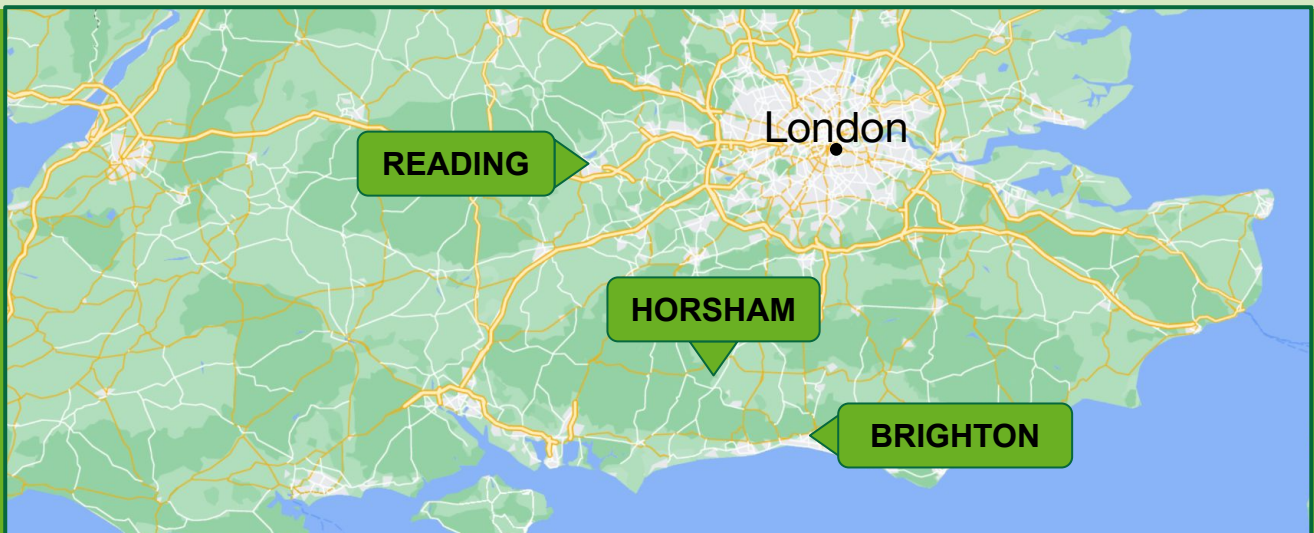

This is a crucial time in the election, and with only 7 days to go, we need every bit of help - please do come along if you have some time to spare!
